Packtulpen Tulip sleeves

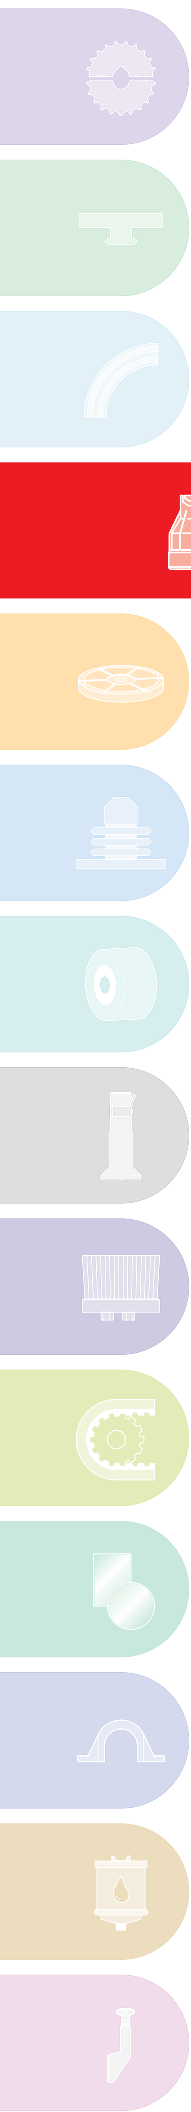

Die von uns verwendeten Werkstoffe, wie Vulkollan®, Polyurethan- und Kautschuk-Elastomere zeichnen sich durch herausragende Eigenschaften aus:

- Ausgezeichneter mechanischer Verschleißwiderstand
- Hoher Weiterreißwiderstand
- Niedriger Druckverformungsrest
- Hohe Adhäsion und Griffigkeit
- Elastizität und Flexibilität

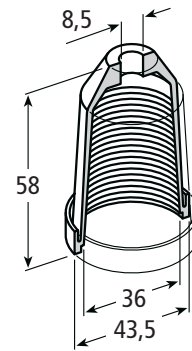

Our well-chosen materials such as Vulkollan®, polyurethane- and rubber-elastomers offer outstanding mechanical properties:

- Excellent resistance to mechanical wear
- Good tear propagation resistance
- Low compression set
- High adhesion and grip
- Elasticity and flexibility
